WORK EXPERIENCE

Walmart

In-Store associate and Online Orders

- An in-store associate attends to customers, makes sure the store is properly arranged, as well as ensures a good customer experience.
- An attendant to online orders manages customers' online grocery orders and delivers them into their cars. Extra tasks like managing stock are also given if needs be.
- An associate at Walmart develops numerous teamwork skills as well as capabilities to work independently. Integrity and pride in one's work is always be an important value that associates abide by.

Laval, Quebec

July 2020 - January 2021

Mr. T Bistro Viet

Shift Manager

- An associate takes care of drinks and the food, as well as works in the kitchen to keep food supplies in check.
- A shift manager also ensures the team works smoothly and as efficiently as possible. Managing customer complaints and managing stock are also tasks that are commonly done.
- Such a position develops one's ability to quickly make decisions and to communicate effectively. Of course, teamwork and ensuring a great customer experience are a top priority.
